PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

County Purchases Equipment From The Government

The Palm Beach county commission Monday moved to purchase government equipment, including a dragline and road construction machinery, obtained last fall following the September 17 hurricane.

County Engineer J. M. Boyd was authorized to negotiate with the FWA for the purchase of this equipment, and it was reported that the government had placed a price of about \$27,000 on the entire lot of machinery.

Authority to advertise for bids to repair the courthouse roof was granted to County Engineer J. M. Boyd by the commission after the engineer reported that leaks had recently caused water to drain down the walls in certain sections of the building. Boyd estimated that the repair job would amount to approximately \$1,300.

The commission authorized the re-employment of A. A. Weybrecht as assistant county engineer. His duties will be largely confined to assisting County Engineer J. M. Boyd with the vast amount of work entailed in the \$3,600,000 road and bridge improvement program recently assured this county by the state. Weybrecht was formerly assistant county engineer and resigned during war time to enter the armed forces, where he spent four years, according to Commissioner Lake Lytal, West Palm Beach, who recommended that he be re-employed.

Palm Beach county property owners were given the assurance Monday by the county commission that the new \$3,600,000 road and bridge improvement program will not result in any special assessments, when the commission directed County Attorney Harry A. Johnston to draft a resolution to this effect.

C. Y. Byrd, Delray Beach, chairman, and any other commissioner who can arrange to make the trip, were authorized by the commission at its Monday meeting to attend the annual meeting of the Florida State Chamber of Commerce at Orlando on November 14, 15, 16.

3 New Trucks For Glades Road Dept.

The Board of County Commissioners on Monday of this week authorized advertisement for bids of three dump trucks to replace old ones in the Glades road department, according to Paul Rardin. Bids will be opened on Nov. 8 for three 1½ ton dump trucks, according to the official announcement.

OK TAX ROLL

The Pahokee City Council at a meeting Tuesday night approved the 1948 municipal tax roll on real estate submitted by Clerk W. F. Walker. The \$41,589.32 tax money to be collected will be allotted as follows: City operating expenses, \$27,031.39; city hall debt service, \$6,238.53; and city hospital, \$8,317.10.

New Tank In B. G. Water System Plans

Belle Glade Water Commissioner N. D. Lloyd and Water Plant Superintendent C. H. Throop, went to Miami last Monday to check on the pipe necessary to the construction of the new tank to gain distribution lines. All but a few fixtures were found and purchased from the City of Miami.

Fifteen more water meters were installed during this week and all meters were read for billing purposes. A car of Hydrated Lime was received and unloaded with the help of City prisoners.

Children Of Canal Point Are Ready For Their Carnival

Children of Canal Point, who in the past have joined Pahokee children for the annual Halloween party at Lair Field, will have a Halloween carnival and party of their own this year to be held this Saturday evening under the sponsorship of the Canal Point Parent-Teacher Association.

The children are asked to be at the Canal Point school grounds at 6:45 p. m. so the parade of costumes can get started promptly at 7 o'clock. They will be divided into four groups for the awarding of prizes: Preschool age, first and second grades, third and fourth grades and fifth and sixth grade. Four cash prizes will be presented to children of each group who are wearing costumes judged to be the prettiest, the funniest, the most original and the most typical of Halloween. Judges will be Rev. and Mrs. Ralph A. Fuller, Dr. and Mrs. Elmo Scoggins and Mrs. C. G. Coburn. Children must be masked in order to be eligible for prizes, according to Mrs. D. R. Hall, chairman in charge of general arrangements.

Following the parade the children of the various rooms will be entertained at parties given by room mothers.

That Bass Doesn't Have To Be Foot Long

TALLAHASSEE — The State Game and Fresh Water Fish Commission today eliminated its 12-inch size limit on black bass.

Removal of the ban will become effective Dec. 1.

The commission, after hearing several delegations, also voted unanimously to permit year-round fishing except on specific lakes in Gulf, Calhoun and Jackson counties.

Phoebe Ann Ramey celebrated her eleventh birthday anniversary at a party given by her mother, Mrs. Geo. B. Ramey, at their home on Bacon Point Road Saturday afternoon. The hostess used the Halloween motif in party decorations and presented hats to the guests as party favors. Following the playing of games and the serving of refreshments on the back lawn, Phoebe Ann and the group of girls who were her guests saw the show at the Prince Theatre.

Phone Company Is Asking Increase Rates State-Wide

Claiming that increased rates are necessary to meet today's costs and render good service in Florida, E. C. Bowen, district manager of the Southern Bell Telephone Co., today revealed his company has asked the State Railroad and Public Utilities Commission to boost telephone rates in this county, as well as other sections of the State.

In filing their schedule of rate boosts, Mr. Bowen said, the company asked the State Commission to authorize the new rates temporarily under bond effective immediately.

Mr. Bowen said West Palm Beach business rates would be hiked from \$8.85 to \$10 under the new schedule while four-party residential lines would go from \$2.75 to \$3.

He revealed proposed rate increases for Lake Worth, Boynton Beach, Delray Beach, Boca Raton, Belle Glade, Pahokee which will affect business as well as residential subscribers.

In a breakdown, Mr. Bowen listed the present and proposed rates for the following areas:

West Palm Beach

Business, \$8.85, raised to \$10.

Residential, 4 party \$2.75, raised to \$3.

Residential, rural \$2.35, raised to \$2.75.

Lake Worth and Delray Beach

Business, \$5.50, raised to \$6.50.

Residential, individual \$3.10, raised to \$3.50.

Two-party \$2.60, raised to \$3.

Four-party \$2.10, raised to \$2.50.

Rural \$1.85, raised to \$2.25.

Boynton Beach, Boca Raton, Belle Glade and Pahokee

Business \$5.50, raised to \$5.75.

Residence, individual \$3.10, raised to \$3.25.

Two-party \$2.60, raised to \$2.75.

Four-party \$2.10, raised to \$2.25.

Rural \$1.60, raised to \$2.

Lake Park

Business \$4.50, raised to \$5.

Residence, individual \$2.75, raised to \$3.

NO MIDGET RACING

A proposed plan for midget auto racing at Palm Beach International Airport was killed by a unanimous vote of the Palm Beach county commission at its meeting Monday.

The project had been presented by Airport Director L. R. Hickam. The commission had discussed the proposal two weeks ago, and on Monday it was quickly defeated after Commissioner Paul Rardin, Canal Point, moved that the request for authorization be denied.

The Annie Jones Circle of the Canal Point Baptist WMC met at the home of Mrs. Grady Echols Friday night with Mrs. M. D. Geiger, circle chairman, presiding. Mrs. L. L. Horne presented the devotional program. Mrs. Grey was a visitor. Refreshments of fruit cake and coffee were served by Mrs. Echols to 14.

Gifts Should Be In Before Nov. 1st.

Members of the Canal Point Auxiliary are making an effort to ship Christmas gifts to Pratt General Hospital in Miami before Nov. 20—the final date. Mrs. Edith Cross said that the gifts should cost not less than \$1 and may be for men, women or children.

The gifts are passed out among the patients in the hospital in order that they select one and send it home to their wives or children. The gifts should be light and easy to pack, Mrs. Cross said. Anybody, who so desires, may make a donation to the cause.

Lair Field To Be The Scene Of Pahokee PTA Halloween Party

Lair Field will be the scene of a Halloween carnival and party for the children of Pahokee Saturday evening. The party is being given by the Parent-Teacher Association with the financial assistance of the Lions Club, the Rotary Club, the Woman's Club, the B&PW Club, the Elks Lodge, the City of Pahokee and the Beta Sigma Phi Sorority.

Mrs. Al Beverly, general chairman in charge of arrangements, requests that all children be in front of the City Hall at 6:15 p. m. in costume to march in a body to Lair Field. The children will be divided into four groups for the awarding of prizes: Preschool and kindergarten, first, second and third grades, fourth, fifth and sixth grades, and seventh, eighth and ninth grades. Four cash prizes will be awarded to children of each group judged to be wearing the most beautiful, the most original, the most comical and the most typical of Halloween costumes. Judges will be furnished by the Business and Professional Woman's Club of Belle Glade.

Following the parade various parties will be held for the children with room mothers and teachers acting as hostesses. The senior high school students will go to the Elks Hall for a dance party. Parties for the junior high school students will be held at the gymnasium and the woman's clubhouse while the elementary school children will be divided into room groups for parties on Lair Field. Mrs. Beverly is being assisted by a parade committee, Mrs. E. L. Pope, chairman, Mrs. H. M. McIntosh and Mrs. E. F. McIlwain, and by a refreshments committee, Mrs. J. V. Thomas, chairman, Mrs. E. P. Holt, Mrs. Max Beverly, Mrs. P. F. Faulk, Mrs. Lester Duncan and Mrs. Thomas Elliott.

VISITS THE GLADES

In the final week of the campaign, Rolf Kaltenborn, Republican candidate for Congress, has been stumping around the Glades blasting away at what he calls "double talk on flood control."

"Despite all the fine talk and promises no money has been appropriated by Congress for flood control. That job still lies ahead," he said Tuesday in speaking in Canal Point.

Conners Highway Will Be Re-Opened During Next Week

With favorable weather conditions conducive to road building, Conner's Highway between Canal Point and Twenty-Mile Bend will be opened for traffic next week after having been closed for several weeks since the first 1943 hurricane. County Commissioner Paul Rardin was assured on Wednesday of this week that a full repair crew was on the job in effort to get the road back in shape for travel.

Rardin's assurance came from Maintenance Superintendent Papy of the State Road Department who has always worked cooperatively with Glades interests. Mr. Papy is thoroughly familiar with the Glades and its needs and knows the value of Conner's highway to the Everglades section of Palm Beach county.

At a special meeting of the Palm Beach County Board of Commissioners held at the request of Commissioner Rardin last week, a specially worked resolution was adopted and sent to the State Road Department in Tallahassee and to division headquarters in Fort Lauderdale. This resolution called for immediate action on repairing the road as soon as the water receded from it.

Division Engineer J. M. Watson and Maintenance Engineer Winslow Carlton have kept a close watch on Conner's highway and the heights of the water thereon. Just as soon as the water receded they issued orders for immediate repair.

Citizens of the Everglades section of the county are deeply grateful to Messrs. Watson, Carlton and Papy for this splendid cooperation.

If work goes along according to plans made by these three SRD officials, traffic will be rolling through the several-times-flooded-out highway not later than Friday morning, November 5.

Schools Won't Be Hurt By No. 1 Amendment

TALLAHASSEE — That Hillsborough County schools receive \$3.42 cents out of every county tax dollar, announced last week by Hillsborough County Tax Collector Schleman, has attracted much interest in many parts of the state.

Supporters of Good Roads Amendment No. 1 have contended that the schools would not be affected by the passage of this amendment. Then comes the announcement of the great portion of tax funds that are already going to schools.

The Florida Good Roads Association has pointed out that the passage of this amendment is very vital to the counties because it will give them additional funds with which roads in the counties can be built and improved.

Mrs. S. W. Roberts returned Wednesday from a visit with her brother and family in Slocomb, Ala. She was accompanied home by her mother, Mrs. Mary McArthur, who will spend the winter here.

Mrs. Platt Named New 4-H Club Leader

The Senior 4-H Club of Pahokee met Wednesday afternoon with Assistant Home Demonstration Agent Mildred Michaud in charge of the gathering. Mrs. J. T. Platt was elected as leader of the group.

It was the second meeting of the year and plans were discussed for projects to be completed during the present school term. Members received their record books for the first quarter's program of work. Trays were ordered by several members of the club and these will be hand decorated between now and Christmas.

Next week is State 4-H Club achievement week and an effort will be made by members of the group to secure a display window down-town in Pahokee in which they will arrange a display of their work.

Those in attendance were: Ethel Miller, Lovda Williams, Lucille Williams, Sarah Summers, Bonnie Miller, Nancy Hillier, Mary Ann Howes, Joann Platt, Francis Wilson, Linda Cowart, Carol Cowart, Joann Goodson, Gloria Stuart, Tommie Lee Usher, Ada Tillman, Shirley Watson, Jeannie Platt.

Ann Thompson, Shirley Ammons, Nancy Ann McCoy, Mary Hall, Martha Hall, Rheta Aboud, and Bonnie Meeks.

Albert Gamot Has Birthday Party

Mrs. A. J. Gamot entertained at the Woman's Club Saturday with a party honoring her son, Albert, Jr., who was celebrating his eleventh birthday anniversary.

The hostess used the Halloween motif in party decorations and all guests were in costume. A contest prize was awarded to Don Beverly. Costume prizes were won by Judy Starling, prettiest; Vaughan Wilson, most comical and Emma Jean Hitchcock, most original. The Misses Wanda Lou Harper, Reta Aboud and Leona Gamot assisted the hostess with the entertaining.

Others attending were Hazel Chaney, Arlene Raneri, Rose Marie Henderson, Daisy Miller, Barbara Jean Miller, Sandra Long, Marcia Jen Guthrie, Ronnie Elliott, Jackie Miller, Donald Wadell, Jon Pope, Tommy Elliott, Don Beverly, Allen Segree and Tripp Alderman.

Cinematic Chatter

By Malcolm Millar

There will never be a more beautiful, thrilling absorbing screen play shown at the Prince Theatre than "Unconquered", which is to be screened this coming Sunday-Monday, with a cast of thousands, headed by Gary Cooper, Paulette Goddard, Howard Da Silva, Boris Karloff, Cecil Kellaway and Ward Bond, boasting more big name featured players than anything yet shown here and filmed in gorgeous technicolor.

"Unconquered" is the story of a man who freed a bond slave and found himself in bondage to her; of another who sought to conquer a country and was himself conquered by it. It is more than that; the story of a people who in their time knew the cost of winning man's freedom in uncharted wilderness, at the price of heroism and torment.

Such unforgettable scenes as the

lovers plunge down 160 feet of roaring water; The slave auction, where a man of destiny buys a girl with crimson tresses; The whipping post, soft, white flesh helpless before the lash. "Unconquered" is unequalled spectacle in the daring story it unrolls of dauntless men and women braving a thousand dangers to keep America "Unconquered."

See you at the movies—Mal.

Afternoon Tea Held For Mrs. Moberg

A charming afternoon tea and farewell linen shower was held at the First Baptist Fellowship Hall Sunday afternoon honoring Mrs. Carl A. Moberg who together with her family will leave next week for Miami Beach where they will make their home after seven and a half years of residence in Pahokee. The tea was sponsored by the Woman's Missionary Union and

approximately 60 of Mrs. Moberg's many friends were present.

Mrs. Horace Unwin, WMU president, and Mrs. A. C. Santo, general chairman, in charge of tea arrangements, welcomed guests at the door.

The program of entertainment was under the direction of Mrs. H. C. Graham. Mrs. T. W. Knight and Mrs. Ralph Grimes sang two duets, accompanied at the piano by Mrs. Graham. Several piano selections were played by Mrs. M. F. George. Mrs. H. L. Speer and Miss Elizabeth Caraway, WMU past presidents, were in charge of the pouring. Mrs. W. M. DuBose, Mrs. C. A. Batchelor and Miss Veronica Kaufman assisted the honoree with the opening and display of gifts. Refreshments were served by Mrs. W. A. Stevens, Mrs. E. E. Coleman, Mrs. W. H. Rogers and Mrs. C. L. Shirley.

At the conclusion of the affair, Mrs. Moberg spoke words of farewell and sang "The End of a Perfect Day."

Increased Telephone Rates are Necessary

Here's why!

Southern Bell's rates in Florida are not sufficient to meet today's costs and assure this Company's ability to render good telephone service.

Therefore, we have been compelled to file new rates with the Florida Railroad and Public Utilities Commission. The new rates are only such as are necessary to furnish you good, dependable service.

Today's telephone rates are the emergency rates determined on the basis of 1946 conditions. Since then there have been substantial increases in costs, including employee wage increases and continued increases in costs other than wages.

Adequate Service Requires Adequate Rates

Continued high-quality service requires telephone rates that meet today's costs and provide reasonable earnings for those who make the service possible by investing their savings in the business. It is the investors' dollars that pay for facilities through which service is kept modern, constantly improved and enlarged.

In our program to meet the full post-war telephone needs in Florida, we have constructed huge amounts of additional equipment — poles, wire, cable, switching equipment, buildings, and all the other items necessary to provide service. This construction in 1948 alone will amount to about \$25,000,000. Requirements for new

facilities in each of the next several years will also be extremely heavy.

Continuation of this work, however, depends upon earnings being such that necessary new capital can be attracted to the business. Even without today's heavy demands for new telephones, additional new capital would still be required for the added facilities necessary to maintain and improve service for present customers.

Earnings in Florida are far too low to attract the capital needed in providing service to Floridians.

Telephone Service Still An Outstanding Bargain

At the increased rates your telephone will still be one of today's best bargains. The new rates will still be low in comparison with the heavy increases in our costs. They will be low in comparison with the increase in other items you buy.

While manufacturers, farmers and business generally have re-priced their products as costs increased, the Telephone Company as a regulated utility has been providing service in Florida at Commission-approved rates that average only slightly higher than those in effect in the 1930s.

These new rates are required to give good and improved service. Rates that are less than sufficient can result only in poor service. The people of the state want good telephone service and that is what we want to furnish.

"SERVING THE GLADES"

Advertisements

From where I sit... by Joe Marsh

Want To Join Our Club?

Newcomers to our town are puzzled when they hear talk of "The Barbecue Club." Want to know who can join, and what the purpose is.

Well, the answer is: any one can join who's neighborly inclined. The purpose is simply to enjoy good food, good beer and ale, good conversation—all towards getting to know one another better.

Every other Saturday, at one farm or another, the pit is dug, and the fire started. And by sundown, neighbors from miles around have come together—the women

contributing cakes, pies, and coffee; the men contributing the meat for barbecuing, and the beer or ale.

From where I sit, it's this simple wholesome side of country life in America—its spirit of good-fellowship—that makes for tolerance and better understanding between neighbors.

As I say, Neighbor, any one can join up! So come along a week from this Saturday.

Mass Tuberculosis X-Ray Survey For County

Check your chest! The mass Tuberculosis chest X-Ray survey has been launched in Palm Beach county and already thousands have stepped before the X-Ray machines and had their chests X-Rayed. It takes only 20 seconds. You do not have to undress. You step before the camera. An attendant presses a button: Bingo! It is as simple as that.

The county has been divided into five unit areas and mobile X-Ray units are scheduled to cover all parts of the county. Lake Lytal, a member of the board of county commissioners in West Palm Beach, survey chairman, said yesterday that responses in the Glades and coastal areas have been "wonderful."

The units will be in the Canal Point and Pahokee areas beginning Nov. 12. A complete list of places where the units will be set up is printed below:

Friday, November 12
Pahokee Camp; White,
11 a. m.—2 p. m.

Saturday, November 13
Everglades Camp for Colored
1 p. m. to 4 p. m. and 2 p. m. to 8 p. m.

Tuesday, November 16

AMENDMENT NO. "1"

This amendment will not affect the sources from which school funds are obtained.

Florida is now spending \$100,000,000 annually on education.

The same legislature that proposed this amendment took full consideration of county school needs in increasing their annual appropriation from \$18,000,000 to \$42,000,000.

More than \$16,000,000 of motorists' license tag fees are already going to schools and this will not be affected.

Glades Drainage Has Been Problem For Many Years

TALLAHASSEE—The realization of a 400-year dream is the descriptive term for the great Central and South Florida flood control project used by Col. A. G. Matthews, chief engineer of the State Division of Water Survey and Research.

"We know that even the Indians dug primitive ditches for their canoes. And we know that the Spaniards speculated on the possibility of a drainage project in that area," Matthews explains.

Buckingham Smith, of St. Augustine, probably among the earliest and certainly one of the most enthusiastic champions of the development of South Florida and the Everglades, reported in 1834 a "faint tradition" that the Spaniards contemplated flood control works for the Glades in the mid-eighteenth century.

Smith made the observation in his Everglades report to the Senate Committee on Public Lands in 1848. That report recommended the development of all South Florida based on the drainage of the Everglades, Big Cypress, the lower Kissimmee Valley and the area northeast of Lake Okechobee.

Called by Majory Stoneman Douglas, author of "The Everglades—River of Grass," this passionate and unrewarded, but recognized researcher, Smith gave Congress one of the best and most lucid reports on the drainage of the Everglades and the planned over-all development of South Florida that has ever been written, albeit his enthusiasm led him into those flights of high flown rhetoric characteristic of much of the speaking and writing of his age.

Buckingham Smith was one of the many who have been fascinated by the mysterious lure of the Everglades through the centuries. It is a fascination for a legendary region that has attracted adventurers, outlaws, authors, farmers, businessmen, statesmen, engineers, industrialists, historians, and artists.

It is a lure and fascination that has led many to fame and fortune, and many others to poverty, devastation, destruction, and death.

But the pioneer spirit of American enterprise has held men to the task of taming the Everglades. And during the next decade, the dream of those rugged practical prophets of progress will be realized, in Matthews' opinion.

The mysterious fascination, like Dame Fortune, dangles different promises before different people depending on the character of the individual. For the artist, it is the awe-striking beauty; for the businessman and farmer, it is wealth. For Buckingham Smith, it was both and more. According to his report, the possibilities of the "black gold" area appealed to patriotism and love of country.

That the irresistible beauty and power of the Everglades in their primeval state overwhelmed him is evident from his vivid description of the region as he saw it in 1847. He wrote:

"Imagine a vast lake of fresh water, extending, in every direction from shore to shore, beyond reach of human vision... studded with thousands of islands, of various sizes... Occasionally an island is found with lofty pines and palmettos upon it... The water is pure and limpid, and almost imperceptibly moves, not in partial currents, but, as it seems, in a mass, silently and slowly to the southward... The flexible grass, bending gently to the breeze... Lilies and aquatic flowers, of every variety and hue, are to be seen on every side, in pleasant contrast with the pale green of the saw grass; and as you draw near an island, the beauty of the scene is increased by the rich foliage and blooming flowers of the wild myrtle and the honeysuckle. The profound and wild solitude of the place; the solemn silence that

100 Scouts Attend District Round-Up

Approximately 100 scouts and parents attended the fall round-up of the North Glades District, Gulf Stream Council of Boy Scouts held on the back lawn of the Pahokee First Methodist Church Tuesday evening.

Rev. C. T. Howes, district commissioner, acting as master of ceremonies, introduced guest speakers, scout officials and parents and led in the singing of scout songs.

At the court of honor, with Alton Jones, district court of honor chairman, presiding, advancements and awards were presented to members of the Pahokee Boy Scout Troop 23 as follows: Bill Kirk, life scout rank and merit badges for athletics, poultry keeping, personal health, public health, physical development and safety; George Rozelle, life scout rank and merit badges for hiking, bird study, athletics, swimming and first aid; Jimmy Rozelle, second class rank.

Principal C. A. Canipe, guest speaker, spoke on "What Scouting Means to Me." A. P. Patterson of West Palm Beach, GSC scout executive, gave a talk on "Scouting" and urged an immediate membership drive for Pahokee and Canal Point scout troops and packs in order that boys who are not scouts may join in the local scouting activities planned for the coming year. Mr. Patterson also led in the playing of games in which scouts and their parents took part and led the group in the singing of "Taps" which concluded the round-up. Mike Hoperich, cubmaster of the Pahokee cub pack, presented a quiz program on the United States flag.

Prior to the program an outdoor buffet-style supper was prepared for the scouts and their guests by Robert B. Simonson and members of his committee.

News Notes From City Of Belle Glade

Here are some interesting news items from the Belle Glade City Hall: Graded NW Avenue "D" and cut the grass from ditch. Also, cleaned ditches and cut grass on Avenue "E"; put out 12 tons of asphalt, patching streets over the City and 2 truck loads of shell and sand; unloaded car load of line for Water Plant; had mower running all week cutting grass on sides of street and in the park and built a grease ramp at City Garage.

Repair Permits showed an increase this week. There were 11 permits issued for repairs. A new building permit was issued to Glades Appliance Corporation for a new warehouse; Contractor for this building is H. E. Roost; will be built on SE Avenue "D" on opposite side of street from their Lumber office. Increased garbage collections have slowed down the hauling of excess trash.

Police department made 18 arrests the past week ranging from Speeding to Drunk and Disorderly Conduct. Mr. Funk of the Identification Department took 28 sets of fingerprints this week and he is receiving prompt replies from the F. B. I., thereby making the files show a complete record of all arrests.

Rev. and Mrs. R. W. Justice and daughter, Donna Ruth, have returned to their home in Atlanta after spending several days with Mr. and Mrs. W. O. Stamps in Pahokee. Rev. Justice came to Pahokee to assist in the funeral services of Mrs. Stamps' father, A. J. Culbertson.

pervades it, unless broken by the splashing of a paddle of the canoes or light bateau... Except for occasional flight of an eagle or a bittern, startled by the strange invaders of their privacy, or for a view of the fishes in the shallow waters... your eye would not rest on a living thing abiding in this wilderness of 'grass waters,' shrubbery and flowers."

Florida Shouldn't Divert Gas Taxes

TALLAHASSEE—The announcement in Washington by the National Highway Users Conference, citing Florida with diverting \$20,752,000 of highway user taxes to non-highway purposes last year, has been noted with much interest by the Florida Good Roads Association, which has been actively working for the passage of Good Roads Amendment No. 1.

This amendment will stop a small portion of the diversion caused by the national organization. The administrative committee protested what it called "an inexcusable rise of 80 per cent in one year in the amount of highway user taxes diverted by (all) the states to non-highway purposes."

The committee said: "The advocates of increased taxation of the highway user and the advocates of the double-tax roads, contend that present highway user revenues are inadequate to build the roads our country needs. We cannot reconcile some of these demands with the inexcusable diversion in many states of present record revenues." The committee said Florida diverted 36 per cent of its highway user taxes, placing the state among the leaders in the country.

The Florida Highway Users' Conference, meeting in Jacksonville, recently, received the platform when Marvin Holloway, president of the Florida AAA Motor Club Conference, said, "This post-war period to date has been a trying time for highway departments as well as motorists not only in Florida, but in practically in every state of the Union. We who have such a large state in highway development need a definitive and affirmative statement of highway policy. This platform will lead to unparalleled progress in highway improvement throughout the state."

With regard to future road programs, it recommends sound long-range plans, developed through adequate representation of highway users on highway planning bodies. The platform calls for the continuance of Federal highway aid, in accordance with the historic principle for such assistance to the states, and advocates that Federal appropriations be based on the ability of the states to match the grants and spend them wisely.

Besides advocating that the field of gasoline taxation be left entirely to the states, the platform declares that registration fees and gasoline taxes are fair in principle when the revenue is used for highway purposes and when the cost of roads is fairly apportioned among all who benefit from them.

The Florida Good Roads Association has been pleased with the growing support being given to Good Roads Amendment No. 1. Bodies in all parts of the state have been taking action on the plans to support the amendment and workers in all parts of the state are cooperating.

When David Cunningham reached 10 years of age Saturday his mother, Mrs. D. W. Cunningham, made every effort to see that it was a "happy birthday" for him. In the afternoon David and the group of boys who were his guests enjoyed a theatre party at the Prince Theatre following which they went to the Cunningham home where an appetizing buffet supper awaited their pleasure.

O. B. McClure and Lloyd Hundley were business visitors in Orlando on Monday.

Mrs. T. S. Kirk is a patient at the Everglades Memorial Hospital this week.

Prospects Gloomy For Blue Devils

At midseason, with a none too brilliant record of two wins, two defeats and one tie to date, the Pahokee Blue Devils travel to Fort Pierce tonight to try their luck against the Golden Eagles. Prospects look rather gloomy for the Pahokee eleven which has been in the doldrums for the past three weeks and doesn't show much sign of snapping back into early season form. Dopesters give the Eagles a four touchdown margin.

In bowing to the South Broward Bulldogs, 12 to 6, last Friday night the Blue Devils lost the ball on fumbles to the visitors five times and made some kind of a home field record by actually losing more yardage at scrimmage than they gained. In gaining 43 yards through the air however they were able to tally a lone first down. The Bulldogs netted 270 yards on the ground and 13 through the air. The score told the story of the Blue Devils' stubborn defense when pushed back to the shadows of their own goal posts.

South Broward scored in the first and fourth quarters at the end of long drives from their own territory and threatened two or three other times during the game. The biggest thrill of the contest popped up in the second stanza when Hueston Connell snagged a Bulldog pass on his own 12 and sped 88 yards for a touchdown.

Three Girl Scouts Troops For Pahokee

An open meeting of girl scouts and their mothers was held at the Pahokee First Methodist Church on Thursday afternoon of this week at 4 o'clock for the purpose of reorganization of the scouts for the coming year.

Last year Pahokee had one girl scout troop which was organized by Mrs. J. T. Boynton who gave the troop outstanding leadership. This year plans have been made for three Pahokee girl scout troops.

Mrs. Parnell Enecks and Mrs. E. P. Holt will serve as co-leaders of one troop; Mrs. Becky Starling and Mrs. Lewis Friend, of another, and Mrs. H. M. McIntosh and Mrs. David Blech, of a third.

In preparation for the coming year of activities, a girl scout leadership training course is being conducted in the Glades this week by Miss Grace Caswell of Atlanta, Ga., girl scout regional training executive. The course was conducted at the Pahokee Methodist Church on Monday, Tuesday and Thursday afternoons at 2:45 and at Belle Glade Wednesday afternoon and again this Friday afternoon.

Scout leaders taking the course include Mrs. Parnell Enecks, Mrs. O. R. Blech, Mrs. David Blech, Mrs. W. H. Jones, Mrs. R. R. Long, Mrs. Becky Starling, Mrs. Lewis Friend, Mrs. H. M. McIntosh, Mrs. E. F. McIlwain, Mrs. Rupert Mock, Mrs. Terry Sellers and Mrs. Jimmie Wilson, Pahokee; Mrs. Joan Whitlock and Mrs. A. G. Riedel, Belle Glade; Mrs. Oscar Chastain and Mrs. Elmo Scoggins, Canal Point.

Births

Mr. and Mrs. Otto White of Pahokee announce the birth of a daughter, Artie May, at the Everglades Memorial Hospital on Oct. 23.

Mr. and Mrs. Osborn Belyeu of Pahokee announce the birth of a son at the Everglades Memorial Hospital on Oct. 24.

Mr. and Mrs. V. A. Henderson of Lake Harbor announce the birth of a son at the Everglades Memorial Hospital on Oct. 24.

Mr. and Mrs. Charles Doane Hine of Clewiston announce the birth of a son, George William, at the Everglades Memorial Hospital on Oct. 24.

State PTA Group To Name New Officers At W. Palm Beach

TAMPA—The nominating committee's recommendations for officers to be elected at the convention of the Florida Congress of Parents and Teachers, November 9-11, in West Palm Beach, have been announced by Mrs. S. E. Horne, Tampa, chairman.

Officers in group three, three vice presidents, will be elected at this coming meeting, and those proposed by the nominating committee are Mrs. C. A. Sallas, Jacksonville, directing the department of education; Mrs. Herman Heinlein, Homestead, directing the department of Home Service; and Mrs. George Hanford, Leesburg, directing the department of health.

The corresponding retiring vice presidents are Mrs. Edith McBride Cameron, Gainesville; Mrs. T. E. Cleary, Newberry; and Mrs. Roy Meador, Clearwater.

Mrs. Sallas now is serving as the Florida Congress' parent education and study group chairman, in the department of education. She has acted in this same capacity for Duval County Council of Parent-Teacher Associations. She gained her experience in parent-teacher work as recording secretary, publications chairman, publicity chairman, and as local president and assistant director of Revision IV, the Jacksonville area. Mrs. Sallas completed her education at the Florida State College for Women and taught in Florida schools for seven years.

Mrs. Heinlein will be in charge of the department in which she now holds the chairmanship of preschool work. As an active parent-teacher worker for ten years, Mrs. Heinlein has been president of a local as well of Dade County Council; and among other chairmanships she has been character and spiritual education director and summer round-up chairman for Dade County. In addition to her parent-teacher interests, she is an active civic worker.

Mrs. Hanford, who has had 20 years parent-teacher experience, is now the Congress' publications chairman. As parent-teacher county council president she worked for and secured a county health unit. She is a charter member of the Leesburg Health Council which has developed a school-community health program which has been recognized throughout the state. In her work directing schools of instruction, as first vice president of the Florida Congress, Mrs. Hanford stressed the health program of the State Board of Health. She also has served the Congress as third vice president and membership chairman.

Members of this nominating committee are Mrs. Horne; Mrs. Arthur G. Ivey, Jacksonville; Mrs. W. L. Mussett, Miami; Mrs. Hanford, and Mrs. E. C. Rogers, Pensacola.

O'Neal - Jeffers

Miss Verla Jeffers, daughter of Mrs. Dennis L. Friend of Canal Point, became the bride of Jesse Leroy O'Neal of Pahokee at a single ring ceremony performed at the county court house in Okeechobee Saturday afternoon, Oct. 23, with Judge F. W. Conely, Jr., officiating. W. R. Kaufman of Pahokee and Miss T. Sweat of Okeechobee were witnesses.

The bride wore a gray street-length dress with white accessories. She is a graduate of Pahokee High School and before her marriage was employed in the office of the O. B. Blech Insurance Agency in Pahokee.

Mr. O'Neal, son of Mrs. Mary Maxey, Pahokee, and Carl O'Neal of Webster, is employed by the U. S. Engineers as patrolman and gauge reader.

Following a brief wedding trip Mr. and Mrs. O'Neal are now at home to their friends at 116 SE Third Ave., Pahokee.

Midshipman Harry Fremd of Canal Point was one of the top five making the NROTC Rifle team at the University of North Carolina, Chapel Hill, N. C.

Mrs. O. B. McClure spent the past week with her nephew and niece, Mr. and Mrs. Charles Perkins, and family in Fort Pierce.

Miss McLarty Is Bride Of J. Walter Mullis

The marriage of Miss Joan McLarty, daughter of Mr. and Mrs. George Claude McLarty of Pahokee, and John Walter Mullis, son of Mr. and Mrs. L. Morgan Mullis, also of Pahokee, was solemnized at the Pahokee First Methodist Church Saturday, Oct. 23, at 5 p. m. Vows for the double ring ceremony were read by the Rev. C. T. Howes, pastor of the church, as the couple stood before the altar which was lighted with cathedral tapers in graduated candelabra and decorated with baskets of tuberose and chrysanthemums against a background of potted palms.

A program of nuptial music was presented by Robert O. Lampi, soloist, who sang "Because" and "The Lord's Prayer," and by Miss Ruth West of Chosen, organist, who played several selections and the traditional wedding marches.

The bride, given in marriage by her father, wore a lovely white satin gown, designed and made by her mother, which had a full skirt ending in a court train edged with chantilly lace. The fitted bodice was fashioned with a chantilly lace bertha and the circular fingertip illusion veil was held by a sweetheart headpiece trimmed with chantilly lace. She carried a white prayer book topped with white orchids and showered with white satin ribbons.

Mrs. David M. Bleech, sister of the bride and matron of honor, wore a gray taffeta dress and carried a white prayer book topped with pink chrysanthemums. Miss Mary Mullis, sister of the bridegroom and maid of honor, wore an aqua taffeta dress and carried a prayer book topped with blue chrysanthemums.

Miss Clarice Nason and Miss Patsy Elliott, bridesmaids, and Miss Montine Doolittle and Miss Linda Kendrick, junior bridesmaids, wore identical taffeta gowns of different colors and carried prayer books centered with chrysanthemums of various hues.

Candra Lampi flower girl and Jon Pope, ring bearer. The candles were lighted by Danny Mullis and Bobby Blakey.

David Bleech was Mr. Mullis's best man. Lynn Elarbee, Frank Gillis, James A. Stafford and Sam Williams were ushers.

The bride's mother chose a gray

crepe dress with black accessories, pink hat and a corsage of pink carnations and the bridegroom's mother, a black dress with black accessories, pink hat, and a corsage of pink roses.

Following the ceremony the bride's parents entertained at a reception in the Woman's Club building with Mrs. J. V. Chastain, Mrs. John T. Pickett and Mrs. Patrick Shoepel assisting.

The bride changed to a two-piece purple faille suit with black accessories, pink scarf and a white orchid corsage before leaving on a wedding trip to Fort Myers, Miami and Cuba, following which the couple will make their home in Belle Glade where Mr. Mullis is associated with the Equitable Life Assurance Society.

Personal Items

Among those from this area who attended the WMU Palm-Lake Association meeting at the Northwood Baptist Church in West Palm Beach this week were Mrs. J. H. Bordeaux, Mrs. E. E. Scoggin, Mrs. J. Sapp, Mrs. L. L. Horne, Mrs. Oscar Chastain, Mrs. A. R. Chastain, Mrs. J. S. Chastain, Mrs. C. L. Sims, Mrs. A. R. Scruggs, Mrs. J. S. Atkins, Mrs. Wiley Tillis and Mrs. Horace Uwin.

Elsie Stamps was honored recently with a birthday party given by her mother, Mrs. W. O. Stamps and sister-in-law, Mrs. Roy Stamps at the park in Pahokee. Outdoor games were played and enjoyed by those in attendance.

Week Of Prayer Is Observed In Pahokee

A sacrificial supper in observance of week of prayer and self denial was observed by members of the Woman's Society of Christian Service at the First Methodist Church in Pahokee Monday evening.

Mrs. I. M. Lair, spiritual life chairman, was in charge of the supper and special program which had as a theme, "Light and Life to All He Brings." Others taking part in the program were Mrs. E. J. Graham, Mrs. D. W. Cunningham, Mrs. C. A. Major, Mrs. R. L. Brooks, Mrs. Lloyd Hundley, Mrs. Ronald Watson, Mrs. Louis Davis, Mrs. M. P. Holman, Mrs. J. M. Elliott, Mrs. L. J. Fraser, Jr., and Mrs. L. J. Fraser. Mrs. Farnell Enecks was pianist.

Hostesses were Mrs. J. V. Thomas, Mrs. G. M. Belk, Mrs. Kenneth Mock, Mrs. Emma Wheeler, Mrs. John T. Pickett and Mrs. J. T. Boynton.

Rainbow Girls In Meeting On Monday

The Pahokee Assembly of Rainbow Girls honored at their meeting in the Masonic Hall Monday night Miss Yvonne Fraser, grand officer; Miss Dellona Jones, grand representative to Arkansas, and Miss Janie Hamilton, grand page of the grand assembly of Florida.

The honorees were introduced by Miss Sibyl Jensen, worthy advisor, then escorted to the Rainbow where they were entertained with a program given by the color stations, following which they were escorted to the East where Miss Barbara Wilkinson sang,

"Wishing to Them," accompanied at the piano by Miss Rita Faye Hurt. Each of the honorees was presented with a gift by the assembly.

Miss Geraldine Draa, worthy advisor of the Belle Glade Assembly, was introduced. An obligation service was conducted with all Rainbow girls taking part.

Visitors were the Misses Nanette Acree, Geraldine Draa, Janette Jones, Peggy Janice Acree, Janie Brackin, Jacqueline Berry and Kay Lutz of the Belle Glade Assembly No. 1.

Refreshments were served by the Misses Patsy Geiger, Rita Faye Hurt, Barbara Wilkinson, Vera Keen, Joan Rosenberg, Clara Baxter and members of the advisory board.

Officers & Teachers Honor The Mobergs

Officers and teachers of the First Baptist Sunday school dispensed with business matters at their regular monthly meeting in the Fellowship Hall Monday evening to honor at a supper party Rev. and Mrs. Carl A. Moberg and children who are moving to Miami Beach on Nov. 1 after seven and a half years of residence here.

Mrs. H. C. Graham presented the program of entertainment. Mrs. A. C. Santo, decorations chairman, used fall colors in decorating the hall for the affair. Supper arrangements were under the direction of Mrs. Robert Hitchcock assisted by Mrs. Robert Hardaway, Mrs. W. H. Rogers, Mrs. Ellsworth Keen and Mrs. Santo.

Special recognition was given to Mr. and Mrs. M. P. Conrath who were celebrating their fiftieth wedding anniversary Monday. Approximately 130 persons were present.

You oughta be in pictures!

HERE'S A PICTURE to be cherished. It catches a radiant moment, to be remembered always.

THIS IS A PICTURE which assures radiant health. Your chest is the subject of this picture. Your health is its object.

Here are facts you should know:

Between the ages of 15 and 44 tuberculosis leads all other diseases as the cause of death. Tuberculosis kills approximately 50,000 people every year.

A half-million people in this country are estimated to have active tuberculosis. Of these, only one-half are known to health authorities.

One out of every two adults in the United States is estimated to have *tubercle bacilli* in his system... which might lead to active disease. Early tuberculosis frequently has no symptoms of any kind.

✓ CHECK YOUR CHEST...

WATCH FOR THE X-RAY UNIT IN YOUR NEIGHBORHOOD -- CHECK YOUR CHEST

The National Tuberculosis Association reminds you that: The greatest safeguard against TB is excellent health. Active disease does not occur so long as the body's resistance can successfully fight germs.

TB is contagious. It is spread through coughing, sneezing, and personal contacts.

TB is curable.

The sooner the presence of TB is detected, the quicker the cure and the safer your family and friends will be from contagion.

A CHEST X-RAY, AT LEAST ONCE A YEAR, IS THE SAFEST, SUREST STEP TOWARD COMBATting TUBERCULOSIS

Youth Week Plans Are Being Formed

Great things are in store for the Young People of the Lake Communities the week of November 17-24 when Chester Swor leads them in Youth Week.

Promoted by the Young People of the First Baptist Church, Belle Glade, with all the churches of the Lake region co-operating. Chester Swor, nationally-known lecturer and conference leader will

lead our young people in seven days of inspiration, consecration, evangelization and fellowship.

Services will be held each evening in the First Baptist Church at 7:30. Morning services are planned for 7:30 each morning.

Chester Swor is a layman, not an ordained minister. He is a native of Mississippi graduating from Mississippi College with an A.B. degree with majors in English and Latin. He received his masters degree from the University of North Carolina. He has a Professional Diploma in Guidance from Columbia University and a L. H. D. (Doctor of Humane Letters) from Baylor University. He was associate professor in English and Dean of Men for ten years at Mississippi College. Since 1942 Chester Swor has given his full time to youth work. He travels more than 30,000 miles a year filling speaking engagements. He has spoken on the campuses of almost all the colleges of the South and in twen-

ty-four states from New York to San Francisco. Chester Swor is today recognized as probably the outstanding spiritual inspiration of this generation.

Mobergs Will Leave Pahokee On Monday

Sunday will mark the closing day of the ministry of Rev. C. A. Moberg as pastor of the First Baptist Church of Pahokee, completing seven and one half years. The Mobergs want it known that they are most appreciative of the prayers and spirit of cooperation on the part of not only those of the church but many others. They leave with the feeling, "that it was good to be here."

To those whose lives the ministry of the Mobergs failed to help and enrich let it be said this was not their intention. May these hearts be comforted in the fact, "that one day we'll understand

each other better and better." Until that time let only love permeate our hearts for each other with the prayer that eternity shall find us, "happy in Him, even the Christ."

It is hoped that every member and friend of the pastor make a special effort to be present Sunday morning for the taking of the picture of the congregation, a possession that will mean much in the reminiscing days of the Mobergs yet to come, and to those interested. Special music will pervade the atmosphere both services. The Training Union assembly program will be conducted by the Mobergs. The "Illuminated Cross Meditation Sing," will be presented Sunday night.

The Mobergs will leave Monday morning to begin their work with the First Baptist Church of Miami Beach. They will reside at 3401 Prairie Avenue, Miami Beach. It is most sincerely hoped that the many people of this area will honor the Mobergs with a visit when

in the Miami section. May God bless and keep in His love those of Pahokee and the Glades, ever remembering, "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life." John 3:16.

The Pahokee Parent-Teachers Association will sponsor a sandwich and cold drink stand for adults at the carnival Saturday night with all proceeds to go into the PTA fund.

Mr. and Mrs. Olaf Boe and children were visitors in Miami over the weekend.
